3. Attendance will be taken at the beginning of each session - students are expected to report to their activity on time. Students signed up for an activity may not go outside after school to visit with their friends.
4. Parent(s) may be contacted if his / her student fails to attend a session without a pre-excused note or phone call from the parent.
5. Lack of attendance, motivation, or disruptions to others may result in a student being dropped from the activity.
6. No refunds or changing of activities after: _____.
7. Misbehavior while riding an activity bus may result in loss of bus privilege; which may result in the student being dropped from the activity he / she has signed up for.
8. All school and bus rules must be followed.

If a student is not riding an activity bus home, his / her parent must be available to pick their student up no later than 5:00pm.
